Description

The 2nd floor rear has been redecorated to provide bright open plan office space with raised floors, suspended ceiling and LED lighting. This prime, central, Bank and office building, has an impressive period façade. The entrance is located on Sackville Street. In the ground floor entrance there are entry phones leading to a refurbished reception area with a commissionaire and large lift. The office floor was recently refurbished and provides a rectangular floor plate with good natural light to the east and west elevations. The office is suitable for all modern businesses requiring a Mayfair office.

Mayfair

Named after the annual May Fair that took place in the area between 1686 and 1764, the area has always synonymous worldwide as the monopoly board's most expensive address and it remains a destination of choice for some of the world's wealthiest individuals, investors and occupiers with good reason. Whether shopping at one of Saville Row's bespoke tailors, dining at Michelin star restaurants or working in an elegant converted Georgian townhouse, one cannot deny the prestige and glamour Mayfair has to offer.
