Covent Garden

The modern story of Covent Garden began in the 1630s when an area formerly belonging to Westminster Abbey known as 'the Convent Garden' was redeveloped for the 4th Earl of Bedford, with a world famous Piazza by Inigo Jones.

Covent Garden is one of London's leading tourist and shopping destinations with a large selection of restaurants, theatres and flagship retail stores, some of which are unique to the area. The famous Piazza is a focal point, with an exclusive market and live entertainment all year round.
